RAMON M. DOCTO, Ph.D.
University President

Vision: An internationally recognized university that provides relevant and innovative education and research for lifelong learning and sustainable development.

Mission: The Palawan State University is committed to upgrade the people's quality of life by providing education opportunities through excellent instruction, research and innovation, extension, production services, and transnational collaborations.

Quality Policy: We Provide equal opportunities for relevant innovative, and internationally recognized higher education programs and advanced studies for lifelong learning and sustainable development. We Strongly commit to deliver excellence in instruction, research, extension, and transnational programs in order to meet the increasing levels of stakeholder demand as well as statutory and regulatory requirements. The University shall continually monitor, review and upgrade its quality management system to ensure compliance with national and international standards and requirements.
